

bsn::generator::DataGenerator
::nextState

```
graph LR; A[bsn::generator::DataGenerator::nextState] --> B[bsn::generator::probabilityGenerator];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box is white with a black border and contains the text 'bsn::generator::DataGenerator' on the top line and '::nextState' on the bottom line. The right box is light gray with a black border and contains the text 'bsn::generator::probability' on the top line and 'Generator' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
